

WELCOME TO BARCELONA, CATALONIA.

This is the homeland of internationally renowned artists Antoni Gaudí, Salvador Dalí and Joan Miró, musicians Pau Casals and Josep Carreras, football star Pep Guardiola, and chefs Ferran Adrià, Carme Ruscalleda and the Roca brothers...

...And one of the world **top 10 cities in international greenfield investment**, according to KPMG.

BUT WHAT ELSE IS GOING ON HERE?

On 9 November 2014, **2.34 million citizens** took part in a non-binding ballot. 81% of them cast their **voting card** saying that **"I want Catalonia to become an independent state"**. The current Government has called a snap election on 27 September to decide our future. So, who knows, **you might come back next year to a brand-new European country!**
